

# AMERICAN SOLAR PARTNERS

*Save Up to 100 percent on your electricity bill with solar power!*

**Reduce your electricity bill and improve the value of your home by installing a solar power system from American Solar Partners.**

American Solar Partners promotes solar ownership over solar leasing because ownership provides 3 times more savings on average than leasing.

All systems from American Solar Partners come with 25 year equipment warranties and an Internet-based monitoring system to track output and savings.

American Solar Partners uses American-made solar modules and works with union installation contractors (IBEW) only.
